

NAVAS .M

MERN STACK DEVELOPER

navasmhd79@gmail.com . 7592065303. Calicut

SUMMARY

I am a dedicated MERN stack student with foundational skills in HTML, CSS, and JavaScript. While I currently have no professional experience, I am passionate about web development and committed to continuously learning and improving. My goal is to contribute to meaningful projects and grow as a web developer

PROFESSIONAL EXPERIENCE

Techolas Technologies -Internship

Sep 2024 - Present

As an intern at Techolas Technologies, I am enhancing my skills in web development by creating responsive and visually appealing websites. My work involves utilizing technologies like HTML, CSS, JavaScript, and Bootstrap to design and structure web pages. Through this internship, I am learning best practices in coding, improving website responsiveness, and gaining hands-on experience in building functional and user-friendly designs

EDUCATION

Calicut University

May 2019 - Apr 2022

Bachelor of Arts (BA)
Sociology
CGPA : 54/100

CERTIFICATION

- The Complete 2024 Web Development Bootcamp
Udemy

PROJECTS

E-commerce Website for Milk and Dairy Products

- Developed a responsive e-commerce website for selling milk and dairy products using HTML, CSS, and JavaScript. The project includes an image slider, product cards, FAQ section, and a well-structured homepage.

Series & Movie Website

- A responsive website for exploring and filtering TV series. It features a dropdown menu for filtering by categories like Most Rated, New, and Indian. Users can view detailed information about each series, including ratings, viewers, and watch Trailer
